HIGH-STYLE, HIGH-CONVENIENCE SPEAKER SYSTEMS

Infinity[®] PHI Series loudspeakers don't just take the guesswork out of setting up a great-sounding 2.1- or 5.1-channel home entertainment system: they eliminate all the heavy lifting as well. Compact, stylish and lightweight, PHI Series systems are designed to fit anywhere, in rooms of any size. Place them on a desk or shelf, mount them on the wall with the TV, or stand them at the perfect height for listening, anywhere in your room – all the mounting hardware is included. Once they're set up, the performance may surprise you. These are Infinity systems, so they're engineered to perform brilliantly.
