- Smart Car Mount for ease-of-use
- Travel bag included
- 2 sets of earphones included for personal enjoyment
- AC adaptor, car adaptor and AV cable included

**PHILIPS**  
sense and simplicity

# Highlights

## DivX Certified

With DivX support, you are able to enjoy DivX encoded videos in the comfort of your living room. The DivX media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, and DVD recordable discs.

## MP3-CD, CD and CD-RW playback

MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without radically degrading their audio quality. A single CD can store up to 10 hours of music.

## Smart Car Mount

To enjoy entertainment on the go, why not bring your portable DVD player from home on the road with you? A unique Car Mount system ensures ease-of-use, with a quick-release arm that facilitates easy removal of the player when not in use. You can bring the portable DVD player with you, leaving just the Mount behind in the car.

## Dual TFT LCD display screens

Dual screens allow you to display same videos or images from the portable DVD players. Simply plug in and mount the screens on the headrests in your car. Now you can enjoy your favorite DVD movies and JPEG photos with family and friends at the backseats easily and comfortably.

# Specifications

## Picture/Display

- Diagonal screen size (inch): 7 inch
- Display screen type: LCD TFT
- Brightness: 150 cd/m<sup>2</sup>
- Resolution: 480(w)x234(H)x3(RGB)
- LCD panel type: Anti-glare polarizer
