

5.1 PACK BIRD - 3 SUPER BIRD, 2 BIRD & CUB³

Specification sheet

This Home Cinema pack which is composed of 3 Super Bird speakers and 2 Bird speakers perfectly represents the Bird line: offering the acoustic quality that flat-panel displays deserve. You no longer have to choose between audio and video quality. The light and compact surround speaker can be perched on the wall or on your furniture according to your desire. The Super Bird satellites will make you travel in a higher dimension : an amazing cinema experience at home! There's no need to redesign your interior according to your sound system, your sound system can be easily and discretely integrated into your interior, reproducing the soundtracks of your favorite films with power and precision. Having these veritable high-fidelity speakers as part of your 5.1 Home Cinema system will plunge you into the heart of the works of the seventh art.

Key points

- Focal design and technologies
