

5.1 PACK BIRD - 5 LITTLE BIRD & CUB³

Specification sheet

The Home Cinema Little Bird pack is perfectly consistent with the Bird line: to offer the sound quality flat-panel displays deserve. According to your desire, these lightweight and compact Bird systems can be mounted to the wall or integrated into your furniture. There's no need to re-design your living space according to your sound system, the sound system needs to adapt to and discretely blend into your home, apart from when listening to the soundtrack of your favourite films! Real 2-way speakers, the Little Bird Home Cinema models will place you at the heart of the works of the seventh art.
